

**Dwight Whitsett**  
Missions Instructor  
Dean of Ministry Training for Oceania

20 December 2006

Dear brethren,

It is my pleasure to recommend Jeremy Desjarlais to you as worthy of your support. Jeremy and Oxana have committed themselves to seeing the gospel proclaimed in Australia. Jeremy has agreed to take a key position in Sunset's new initiative to train Australians in ministry by serving as our Dean of Students in our partnership with Macquarie church of Christ in Sydney.

As one of his former instructors at Sunset International Bible Institute, I have been impressed with Jeremy from the beginning. He has dedicated himself to the cause of Christ wherever he has been. Jeremy is not afraid to try new approaches to evangelism. He is open and innovative in his thinking, yet solidly tied to Scripture as his guide.

Jeremy has distinguished himself in every task he has put his hand to. He is motivated by his love for Christ and determined to serve Him who is the Way, Truth and Life. Not only is he Biblically knowledgeable and zealous for the Lord but he is also mature and hard-working. I confidently expect solid progress from any work in which he is involved.

The Desjarlais family needs financial partners to make their mission possible. If you choose to partner with them you will be supporting the planting, growing and maturing of churches in Australia as well as equipping and training of leaders for the future. Please help as much as possible with this significant project. I ask you to give them a personal hearing and listen to Jeremy's plans to bring precious souls into the kingdom in Australia. I know you will be impressed with his potential.

For the precious gospel of the loving Christ,
