

**Truitt Adair**  
Executive Director

January 3, 2007

Dear Brethren,

There is only one preacher training program for the entire nation of Australia (a land area the size of the United States.) For years this school has been understaffed and under-utilized. There have been times when the school has only had one full time student. We at Sunset have been asked to help revitalize what once was a flourishing ministry training program. An essential part of this revitalization is the introduction of some experienced, evangelistic training staff into the existing program. My purpose for writing is to recommend a couple that is prepared to lead the charge in equipping a new generation of preachers/missionaries in the "land down-under."

Jeremy Desjarlais is qualified and prepared for the challenge of mission work in Australia. He has good Biblical and educational credentials and international experience. Jeremy is married to a fine Christian, Oxana, who was born and lived for much of her life outside the USA. This family will be a good example for the preachers he will help to train in Australia.

We are happy to welcome the Desjarlais family to an outstanding team of preacher trainers and missionaries and to commend them to you for your support and encouragement. If you have any questions about Jeremy or Oxana or the mission work they will be involved in, please feel free to contact us.

In the interest of making disciples,
