Here after having been through the Adventures in Missions Program I really got to delve into Scripture and learn a lot in a short time. In the time spent at Sunset I was basically able to study all the books of the Bible, as well as many other developing topics, such as: mission principles, Greek, Hebrew, sermon preparation and delivery, etc. The list goes on and on, all to which I am indebted and consider invaluable for my walk with the Lord.

ADVENTURES IN MISSIONS

SUNSET INTERNATIONAL BIBLE INSTITUTE

3723 34th St., Lubbock, TX 79410

(806) 792-5191

Apprentice Missionary, August 1994 - July 1996

Responsibilities and accomplishments.

The first six months of this program I studied Bible in Lubbock, Texas getting basic knowledge and learning how to preach and teach the Gospel. By mid year our class began hearing from different missionaries from around the world who were in need of help. I chose to be on a team that went to Perm, Russia. A city of 1.5 to 2 million people about 842 miles north and east of Moscow along the Kama river. Once there in May 1995, I began learning Russian and almost immediately began having opportunities to study God's Word with the Lost. While in Perm, I got many opportunities to preach and teach, as well as work with small groups and other evangelistic efforts. Thus far it has been the most life changing experience I have ever had and one day hope to return to Russia as a full time missionary.
